

# Remote Deposit Capture (RDC) Instructions

To **Enable Remote Deposit Capture (RDC)** you must first download and install the free Westminster FCU Mobile Banking App. (follow the installation instructions for the app.) Then contact Westminster FCU and tell us to enable the app's **RDC** feature on for you. The next time, after we activate RDC, you will see the **'Deposit'** option available on the bottom of your app. With RDC, you can deposit your checks anywhere, 24-hours a day.

- You can deposit as many checks as you want but are limited to total deposits of \$3,000, per 24 hours.
- The 24-hour deposit period is from 5:00 p.m. EST to the next day at 5:00 EST
- Any checks deposited during that period will not show up until the next day at 5:00 p.m. EST.
- Prior to taking a photo of both the check front & back, you must endorse the check by either;
  1. Checking the preprinted RDC mobile deposit box below your signature or/
  2. Below your signature add "For mobile deposit only to WFCU".
